

Curriculum Vitae

Personal Information:

Name: Nariman Ezzat Mahmoud Elbaly

Nationality: Egyptian

Religion: Muslim

Gender: Female

Address: Borg el-giza elbahry –Giza

E. Mail: Narimanezzatmahmoud@yahoo.com

Phone: ☎ 202 35722645 Mobile: 202 0113744947

Date of Birth: 6 - 1 -1985

Place of Birth: Giza

Marital Status: Single

Recent job: Demonstrator in Mechanical Engineering Department, Faculty of Engineering - Helwan University.

Qualifications: -

- B.SC. Degree of Mechanical Engineering 2007, with general grade "Excellent, with honor Degree (the first)" and project degree "Excellent" , Faculty of Engineering – Helwan University.
- Passed pre-master studies, preparing for master degree.

Language:

Language	Speaking	Writing	Reading
Arabic	Native		
English	B	A	A

Computer skills:

- Office XP (Windows -Word - Excel – PowerPoint -internet) “certificate from Helwan University”
- ICDL Certificate
- Mechanical drawing by AutoCAD “certificate from Cairo University”
- Mechanical drawing by Autodesk Inventor “certificate from Cairo University”
- Introduction To Matlab “certificate from Global Max Center”
- Advanced Programming With Matlab “certificate from Global Max Center”

Technical Skills:

1- Mechanical skills

✓ **Drawing and Design Field**

- Mechanical drawing by AutoCAD “certificate from Cairo University”
- Mechanical drawing by AutoDesk Inventor “certificate from Cairo University”
- Very good degree in **mechanical design** course in the university
- Very Good degree in **Machine Tool Design** course in the university

✓ **Metal Forming Field**

- Training (**4 Week**) in Helwan company for non ferrous industries “summer 2005” In: -

1- Rolling

2- Casting

3- Extrusion

4-Quality Control

- Training (**4 Week**) in Tishreen university In Syria "summer 2006" in :

1- Mechanical and electrical labs of the faculty of mechanical and electrical engineering (mechatronics lab – pneumatic and hydraulic lab- Mechanical workshops)

2- Practical training in factories.

- Excellent degree in **Elasticity and Plasticity** course in the university
- Excellent degree in **Metal forming Processes** course in the university
- Excellent degree in **Dies design** course in the university
- Excellent degree in **Powder Metallurgy** course in the university

✓ **Mechanical Maintenance and Occupational Safety and Health Department Field**

- Training (**4 Week**) in juhayna food industries “summer **2005**” In: -

1- Filling machines.

2- Programmable logic control (PLC).

3- Packing machines.

4- Utilities units.

5- Industry waste treatment

6- Maintenance

- Excellent degree in **Mechanical Maintenance** course in the university.
- Excellent degree in **Mechanical Vibration** course in the university.
- Excellent degree in **Industrial Safety** course in the university.

✓ **Material Field**

- Excellent degree in **Material Engineering (1)** course in the university
- Excellent degree in **Material Engineering (2)** course in the university
- Excellent degree in **Material Engineering (3)** course in the university

✓ **CNC Field**

- Programming for (**G/M CODES, AND APT CODES**)
- CAD /CAM by **Alpha cam** Program.
- Excellent degree in **CAD/CAM** course in the university.

✓ **Industrial Engineering Field**

- Excellent degree in **production Management** course in the university
- Very good degree in **Statistics applications and quality control** course in the university
- Excellent degree in **Industrial Organization** course in the university

✓ **Refrigeration and air conditioning Field**

- Excellent degree in **Refrigeration and air conditioning** course in the university.

2-Electrical skills

✓ **Automatic control Field**

- Conventional automatic control (relays, timers, contactors . . .)
- Training in Apecs Center "**July 2007**" In "**PLC and SCADA Applications** "
- Training (**1 Week**) in Egyptian electricity transmission company "**summer 2005**" In "**programmable logic control PLC**"
- Excellent degree in **Automatic Control** course in the university
- Excellent degree in **Industrial Automation** course in the university.
